

Dear Prayer Warriors,

First the praise report: We had a full conference with over 60 requesting CDs and Bible study material.

65 gave their names and contact information for follow-up.

The pastor and CCC staff could not have been more excited.

At breakfast this morning all the tables were full at the conference center. There were tour buses in from several countries including Poland and Finland. El was meeting with one of the CCC staff for breakfast and Bible study. A young couple singled for me to sit at their table. In broken English the wife said, "My husband told me to have you sit with us. He thinks you may be a pastor". We had great fellowship. They were new Christians from Belarus. When I gave them McArthur Study Bibles in Russian they were both moved to tears. Because of my brother-in-laws CD ministry I was able to burn them off Russian Bible study materials.

Now I must send this off and get ready for the Sunday service. I will be preaching from Hebrews 12:10 & 11

Please allow me to get this out to you quickly.

1. Please pray for the ministry of God's Word.
2. Also that in our short time in Belarus we will be able to connect with this young couples pastor and church.
3. Pray for smooth border crossings and that all materials would arrive safely in Belarus and then on to Kiev.
4. Ask God to bless the Hermautics Seminar with the CCC staff Monday.

By His mercy,
II Corinthians 4:1
